PROFILE

Project and product manager with 6+ years driving e-commerce operations, product launches, and B2B/B2C client relationships for a remote, US-based company. Currently completing a Master's in Business Analytics to pair hands-on operational delivery with data-driven decision-making. Background includes a medical degree, contributing strong analytical rigor, structured problem-solving, and high-stakes attention to detail. Thrives in fast-paced, remote-first, cross-functional environments.

WORK EXPERIENCE

Raz & Company NY (Remote)
Retail Product Manager / E-Commerce Sales — OCT 2024 - PRESENT

- Launched the brand's e-commerce platform end-to-end, on time and within scope, overseeing requirements, design input, and launch coordination.
- Partnered with developers, designers, and marketers to integrate web and sales systems, improving operational efficiency by 25%.
- Managed end-to-end product development for jewelry collections, from concept and design through production and retail launch.
- Coordinated with vendors and manufacturers to manage production timelines and quality.
- Own social media strategy and execution across Instagram, TikTok, and Pinterest.

Mystery Diamonds NY (Remote)
Chief of Staff — JUN 2022 – SEP 2024

- Partnered directly with the CEO on strategic initiatives, staff hiring, and training, improving cross-team communication and accelerating project delivery.
- Oversaw logistics, sourcing, and client delivery, achieving 95% on-time delivery and exceeding stakeholder satisfaction KPIs.
- Redesigned operational workflows to improve efficiency, decision-making, and follow-through across departments.

Mystery Diamonds NY (Remote) — NOV 2019 – JUN 2022
Client Relationship Manager

- Acted as the primary liaison between key B2B clients and internal teams, ensuring customized product solutions and seamless project delivery.
- Managed client onboarding and issue resolution, contributing to a 95%+ client retention rate.
- Developed project scopes, timelines, and documentation, improving B2B service delivery efficiency by 20%.

EARLIER EXPERIENCE

- **Sales Manager, iValueLab / Mystery Diamonds NY (Jul 2018 – Dec 2019)** — managed sales orders, after-sales support, and client recommendations, driving a 95% increase in client sales and satisfaction.
- **Content Writer, iValueLab (Nov 2019 – Nov 2020)** — produced web content and blog marketing material.
- **Freelance ESL Tutor (2018 – 2019)** — taught English as a foreign language
